LINEN

We love our linens and are passionate about quality and presentation. Our napkins are custom made in Europe and are 100% Linen fabric.

The Baltic range offers a textured, softened finish, while the Italian range is oversized, with a wide hem and fine grade to the touch. Our coloured range offers some traditional favourites like White, Black, Navy and Blush, as well as on trend tones including Marsala, Salmon, Lilac, Pewter, Stone and Natural Flax. Our tablecloths are oversized and designed to fall luxuriously to the floor on extra-wide Banquet tables. Our Linens are all lovingly hand washed, pressed, and presented flat packed in tissue paper.
